Re: Identification Crankshaft s.s."BORSUMY"

No certificate has been received at this office nor have the builders, the Drydock Company Sourabaia received any regarding this crankshaft.

This shaft has been ordered from Forges Estempages de Bruyenbroeck in August 1939 and arrived here November 1939 and I hope you will be in a position to trace this certificate and let me have a copy.

I am, Dear Sir,
Yours faithfully,

Ch. L. L. L.

The Secretary,
WOKINGHAM.
