MR. J. H. KINKHAM,  
MASTER ATTENDANT,  
BOARD OF MANAGEMENT FOR THE PORT OF RANGOON,  
(LLOYD'S RANGOON REPRESENTATIVE)  
PHAYRE STREET, RANGOON.

Dear Sir,

Inland Water Transport Board Vessels  
built to Lloyd's Class.

Quarter Wheelers "PON-DAUNG", "PADASHIN", "PONNYA",  
"PADAPYAN" and "PADAMYA" built by Yarrow & Company, Glasgow,  
were built and delivered to this Board under Lloyd's Class,  
and we have no intentions of keeping them on their Book.

Board's vessels are built and surveyed under  
Lloyd's Class for 100% efficiency in the Class, and once we  
have given acceptance to the vessels they will be maintained  
by us as hitherto done.

We greatly appreciate your very kind attention  
shown in the survey of the abovenamed vessels.

Yours faithfully,  
INLAND WATER TRANSPORT BOARD,

(CAPTAIN KYAW DIN)  
MARINE SUPERINTENDENT
