

Steel Screw Motor Oil Tanker "SHAZA", Messrs. N.V. Boele's No.157

Mr. Millar was informed on the 16th August last that the class which could be assigned to this motor vessel would be 100A- "Carrying Petroleum in Bulk" "For Service on the East Coast of Africa" with limiting ports to be assigned, also that it was noted that particulars of the equipment had been requested by him.

From a letter accompanying the First Entry Report it is seen that the limiting ports proposed are Kismayu and Lindi, on the East Coast of Africa.

It is submitted that these limiting ports are satisfactory and might be inserted in the notation.

Particulars of the equipmt. are now given in the 1st entry report
