spectin

appe
ble tha
ed pe
limited
ase.

and that I have transmitted to the Committee of Lloyd's Register of

Shipping, London, a Report stating that all recommendations made by

me in connection therewith have been carried out to my satisfaction, and

that I have Recommended that the record of Tail Shaft seen 9,54

made in the Register Book in the case of this vessel, subject to the
propeller shaft being renewed before end of November, 1954.

Sten Johansson

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society.
