16th December, 1953.

ssn.(H)

Dear Sir,

S.S. "MAGDALENE"

With reference to your memorandum of the 24th September last, I have to acquaint you that the Boiler Survey was commenced at Baltimore in September and that to complete the same the safety valves of port boiler require to be adjusted and the centre boiler examined in its entirety. In the circumstances, I shall be glad to learn what arrangements the Owners propose making for the inspection in question to be completed.

I shall also be glad to learn whether you can furnish me with any further information regarding the No.3 (p & s) sounding pipe cocks - refer correspondence which took place in June last.

S.S. "PEMEX I"

With reference to your letter of the 12th ultimo, I have to acquaint you that no report of the examination of this vessel in dry dock has yet been received in this Office, and, in the circumstances, I shall be glad if you will endeavour to arrange for a copy of the Lloyd's Agents Surveyors' report to be forwarded to this Office, as soon as possible.

S.S. "SEATRAN NEW ORLEANS"

With reference to your memorandum of the 17th June last, I shall be glad to learn whether this vessel is still laid up.

S.S. "HOVSTAD" regards the carrying out of the overdue surveys and repairs.

With reference to the letter of the 12th June and 11th September last, I shall be glad to learn, by Principal Surveyor, how this is set in the Classification Committee.

Principal Surveyor,  
YORK.
