S. The Secretary,
LONDON.

Dear Sir,

"GEORGE L. PARKHURST".

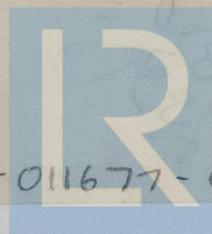

We are in receipt of your classing letter dated the 27th ultm. relating to Gothenburg First Entry Report No.26224 on the above named vessel, and in reply to the enquiry in the last paragraph thereof we would inform you that the electric driven centrifugal bilge pumps have been tested by the under- signed and found to work satisfactorily when primed from the sea.

There are no special arrangements provided for priming these bilge pumps more than connection to the sea.

As required an amended Interim Certificate for the Machinery has now been issued as per copy attached.

Yours faithfully,
THE SURVEYORS, Gothenburg
for Olle Scotting
