classing

With reference to your/letter of the 29th  
regarding the "HARUNASAN MARU" and "HAKONESAN MARU"  
we have to advise you that the requisite reports covering  
the testing of the defrosting arrangements will be forwarded  
after the vessels' return to this Country from their present  
stage.

The vessels are expected to return to Japan next  
month and in October respectively.

With regard to the second paragraph of your letter  
of the 10th June, we have to state that in the case of the  
"HAKONESAN MARU" the connections between the central valves  
and sprinklers in cooler units have permanently been made by  
means of 35 mm dia. G.G. piping led through the insulated  
heads of chambers.
