

m.s. BOSPHORUS

This ship was last submitted to Special Survey in February 1956 and has been laid up since September 1960, the class being qualified by the notation "Laid up - surveys overdue 2.60".

The position remains unchanged and as more than eight years have elapsed since the last Special Survey was held, it is submitted that the class be omitted from the Register Book, and the notation "Classed LR until February 1960" be recorded in the Register Book.
