Dear Sirs,

"WATERMAN"

Mr. Orde has handed to this office for attention, your letter of the 27th March, and I have pleasure in confirming that this craft holds the Society's class "A1 hydrofoil craft for restricted service", and the next survey due is a Special Survey at the end of March 1964.

It is concluded that the Ben Line will desire to maintain the craft in class, but up to now the service has been restricted to the Dutch and Belgian Coasts north of Ostend. In view of the use to which the Owners are now putting the hydrofoil, it has been agreed by the Committee that the class can be amended to "A1 hydrofoil craft. For service as a launch on restricted coasting", and as requested by you, I enclose a certified copy of the original certificate including the class amendment as now approved.

Trusting this will serve the Owners' purpose.

Yours faithfully,

c. c. Mr. Orde

Clerk to the
Classification Committee.
