Dear Sirs,

Motorship "GERD TORM"

It is noted from your letter of 10th instant that the Owners propose to hold the Special Survey on the hull in conjunction with the Special Survey on the refrigerating machinery during the first half of August.

Hitherto, the Committee have only agreed to the survey being deferred until the end of July, so the case has therefore been re-submitted to them today, and as a result I am authorised to say that they are agreeable to this further short postponement.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
COPENHAGEN.
