Dear Sirs,

M.S. "MAGEOLIA"

With reference to your Memorandum of the 14th September, I have to inform you that the case of this ship has been considered by the Committee at their meeting today and it has been decided to record a notation of "Surveys Overdue 9,61" in the Society's Register Book.

As the ship is laid up, it may be that the Owners would prefer that this should be reflected in the notation appearing in the Register Book, and, if so, the Committee would be prepared to give instructions for a notation of "Laid up-Surveys Overdue 9,61" to be recorded.

Yours faithfully,

pro Clerk to the  
Classification Committee

The Surveyors,  
PIRÆUS.
