The Secretary,
LONDON.

Dear Sir,

S.S. "BEECH HILL"

We acknowledge receipt of your letter dated 14th August, 1964.

The above named vessel is now at Syra and the crew has been paid off. We understand that the present owner has no intention of putting the vessel through Special Survey, and she will be laid up pending sale. We think, however, that there is no firm immediate prospect of such a sale being negotiated.

We would add that during a cursory inspection made by our Surveyor when visiting the ship, the impression was formed that she was in poor condition and that considerable structural work would require to be carried out for a Special Survey.

Yours faithfully,

The Surveyors,

Per:
