Dear Sirs,

m.s. "BEECH HILL"

With reference to your letter of the 25th June, I shall be glad to learn if you are yet in a position to let me know when and at which Port the Special Survey is to be held this month, in order that the Society's Surveyors may be advised.

The Steampipe Survey became due at the end of January and the Main Boiler Survey becomes due at the end of September. It is concluded that these inspections will be dealt with at the same time as the Special Survey.

Yours faithfully,

Clerk to the
Classification Committee.
