Dear Sirs,

Steamer "BEECH HILL"

I acknowledge receipt of your letter of the 1st May regarding the Special Survey of this ship and have to acquaint you that your request has been read to the Committee at their meeting today. In reply, I am pleased to say that provided a General Examination of the hull and machinery is carried out at Chittagong now, with special attention to the outstanding conditions of class, and the Surveyor is satisfied, the Committee will be agreeable to the Special Survey being deferred until the end of July next.

So far as the Load Line certificate is concerned a Load Line Renewal Survey should be carried out in conjunction with the General Examination with a view to the extension of the validity of the certificate as required by you.

Yours faithfully,

Deputy Clerk to the
Classification Committee
