Dear Sir,

S.S. "BEECH HILL"

Further to our letter of the 22nd ultimo in reply to yours of the 20th ultimo relative to our intentions regarding the above-named vessel's Special Survey which becomes due this month. This vessel arrived at the port of Chittagong on the 21st April, and under normal circumstances would have discharged her cargo and loaded the proposed cargo of rice to bring her to her discharge port at Rijeka by the end of the present month. Unfortunately we have received advice from the Agents in Chittagong today that due to congestion in the port there is no hope of obtaining a berth to commence discharge before the end of May.

Under these circumstances we have no option but to request your Committee's consideration for a two months extension of the Load Line Certificate which expires on the 31st instant, subject of course to whatever examination you may require at Chittagong, to enable this vessel to reach her discharge and Survey port.

We would be pleased if you would place these facts before your Committee and await the results of their considerations in due course.

Yours faithfully,  
THE COUNTIES SHIP MANAGEMENT COMPANY LIMITED.

Engineer Superintendent.
