Dear Sirs,

Steamer "BEECH HILL"

The reports of the survey carried out by the Society's Halifax Surveyors between the 7th and 21st January last have now received the consideration of the Committee.

At that time a damaged bower anchor was removed, and the Committee therefore have continued the vessel's class subject, inter alia, to a bower anchor being supplied at the earliest opportunity.

I shall be glad to learn what arrangements you propose to make in this respect.

Yours faithfully,

Deputy Clerk to the
Classification Committee.
