Dear Sirs,

Steamer "BEECH HILL"

Further to my letter dated 3rd September a Report has now been received from Piraeus where the ship was generally examined during September last with a view to the postponement of the Special Survey.

In view of the satisfactory nature of this examination, the Committee have approved the postponement of the Special Survey until May, 1964 and in the meantime fresh records of DS 9.63 and MBS 9.63 have been assigned.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.
