Dear Sir,

S.S. "BEECH HILL"

We thank you for your letter of the 3rd instant and telephonic information of the same date relative to our request for the Special Survey date of the above-named vessel to be extended.

We were very pleased to learn your Committee are prepared to grant an extension until May 1964 subject to a satisfactory General Examination being carried out. We are arranging for this vessel to be available for this Examination and Boiler Survey at Syra in the next few days, and our Superintendent who is now in Greece supervising the movement of the vessel from Chalkis has been instructed to contact your Piraeus office on these subjects.

We are also pleased to inform you that we have been able to arrange a drydock at the same time, which will cover the requirements of attending to the main engine circulating water and the last paragraph of your letter.

I am instructed by my Directors to express their appreciation for the co-operation received and thank all concerned for the prompt attention to our requests.

Yours faithfully,
THE COUNTIES SHIP MANAGEMENT COMPANY LTD.

Engineer Superintendent.
