Dear Sirs,

Steamer "BEECH HILL"

It is understood the above-named vessel has been laid up at Chalkis since January last and it is today learnt that the Owners propose to recommission her.

I enclose a copy of letter that has been addressed to the Owners in reply to their enquiry concerning the Special Survey from which you will note that various matters require attention before the ship resumes service. It will be appreciated if you will give the matter the necessary attention when so requested by the Owners' Local Agents.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
PIRAEUS
