# Lloyd's Register of Shipping.

Port ABERDEEN.

20th September, 1946.

This is to Certify that

G. S. MILNE, C. BELL and J. C. WRIGHT,

the undersigned Surveyor to this Society did at the request of The Admiralty, survey during construction the hull, machinery and electric equipment of the Steel Single Screw Tug "EMPIRE LEONARD" built by Messrs. A. Hall & Co. Ltd., Aberdeen.

The Ship and Machinery have been built and equipped in accordance with the requirements of the Society for Class \* 100 A.1. "For Towing Services".

All the requirements of the finally approved plans and Admiralty "As fitted" Specifications have been carried out.

The trials of the main and auxiliary machinery, the steering gear and windlass were carried out in the Victoria Dock, Aberdeen, on 18th September and at sea off Aberdeen on 19th September, 1946.

.....*G. S. Milne*..... Ship Surveyor

.....*C. Bell*..... Engineer Surveyor

*per J. C. Wright* *C. Bell*..... Electrical Engineer  
Surveyor.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
