Dear Sirs,

Barge "MOBILOIL VENTURE"

I have to acknowledge receipt of your letter of the 29th ultimo, the contents of which have been noted.

I would explain that to entitle a vessel to retain her classification with this Society it is necessary for the Periodical Surveys as laid down in the Rules to be complied with, and in this particular case drydocking is due.

I shall be glad to learn whether it is to be understood from your letter that you do not desire to drydock this barge under the supervision of this Society's Surveyors, and consequently do not wish to retain this Society's classification.

I shall be glad if you will be so good as to let me know your intentions.

Yours faithfully,

Deputy Clerk to the
Classification Committee.
