Plan encl.

13th September, 1954.

Dear Sirs,

Yard No. 1131  
Non-Propelled Rockcutter for Bluff Harbour Board, N.Z.

With reference to your letter of the 3rd instant, I have to inform you that the plan showing general pumping arrangement (Drg. No. 19212) will be approved, provided the arrangements be as shown thereon and the remaining requirements of the Rules for Pumping and Piping be complied with so far as they are applicable.

It is understood that the fuel for this ship will be coal and not oil.

One copy of the plan is returned herewith, the remaining copies having been retained for the use of the local Surveyor and for record purposes.

The plan approved in my letter of the 10th November, 1952, has been cancelled.

Yours faithfully,

Secretary to the  
Scottish Committee
