Dear Sir,

Further to our letter of the 21st. October last in connection with the Special Survey on the above vessel, due at the end of November, we have been requested by the Owners to request permission to postpone this Survey for six months, in order that she may make one or two more voyages to N. European waters.

We shall be glad, therefore, if you will kindly advise us if a General Examination for the postponement of Special Survey may be held in this case.

The Secretary
London

Yours faithfully,

for the surveyors.
