Lisbon, 23rd. February 1926.

GEORGE PAYNE,
ENGINEER SURVEYOR.
MOUTLEY GUNNER,
SHIP & ENGINEER SURVEYOR.

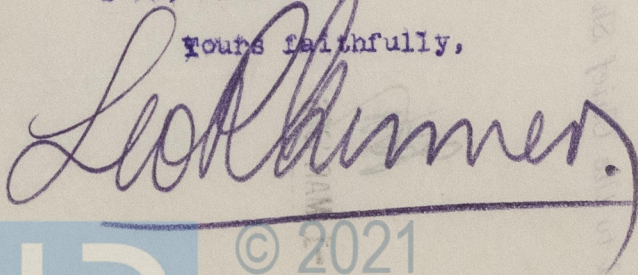

Dear Sir,

In furtherance of my letter dated the 17th. December last, & your reply on the 23rd. of that month, in connection with the S.S. "MARIA AMELIA", owners have now sent me another longitudinal sectional plan to replace the one they lost, which I have forwarded for the purpose of having marked thereon necessary modifications in the form of quarters girders recommended by the Committee in view of contemplated classification.

There is no material alteration to the position, as to when vessel will stop for completion of work beyond that stated in my letter of 5th. January last.

I am, Dear Sir,

Yours faithfully,

Andrew Scott, Esq.,

Secretary,

L O N D O N.
