

S.S. "MARIA AMELIA".

This vessel has been under survey with a view to classification with this Society, and particulars of the equipment have been forwarded by the Rotterdam Surveyors on Repair Report Form No. 14580.

It is submitted the Surveyors be informed that the particulars given are too indefinite to be placed before the Committee for their consideration, and if the Figure 1 is desired for this ship it will be necessary for the Surveyors to obtain and forward full particulars of the equipment for consideration, and the Committee will also require to be satisfied that it is suitable for use in a classed ship.
