Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

Enclosures.

13th November, 1933.

Dear Sir,

With reference to Glasgow first entry report No.53980 on the Motorship "BREEZE", I may say that it is concluded the thickness of the stringers in way of the bridge is as approved, but I shall be glad if you will kindly enquire of the Surveyor and confirm this.

In compliance with the request contained in your letter of 11th instant, I enclose herewith two certificates for this vessel, which may be handed over if the case is in order and when the fees are paid.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,

GLASGOW
