

INTERNAL MEMORANDUM

From F. Hales(I.C.D.) To Classification S-Z Section

Date 20th November, 1981

Subject "VERNICOS GIORGIS"
L.R. No. 5272440

1. Piraeus telex dated 16th November, 1981, refers.
2. The Stability of this vessel was examined on the basis of limited information provided and found in order on the understanding that the vessel would not be towing during the delivery voyage.
3. During telephone discussion on 10th September, 1981, the Owner questioned what difference towing would make to the stability problem. He was advised that to my knowledge towing had not been considered for any aspect and this would involve complete re-appraisal.
4. No further contact was made with this Office.
