Since proposal submitted
to this office within the
period of 30 days, this was to be on
prelude to work to be done
for the purpose of the
conducted in low maintenance
free running.

120 for comment.

The Owners were not informed by the L.L. section
that the delivery voyage was only to be undertaken
in a free running condition. The high speed survey was
however verbally that feedback were assigned as
i.e. not a Trip. This is reflected in the L.L.S.

however advisable
a cargo ship i.e. not a Trip.
