Dear Sir,

I enclose Certificates for the Intermediate and Screwshafts of the "FLYING COCK" and "PEA COCK". You will see that these Certificates cover three shafts, and we should therefore like the Certificates back, to be produced again when the First Entry on the third sister Tug is written.

We have no Certificates at the moment from Modern Wheel Drive for the gearing, but will try to get these.

Yours faithfully,

C. Seacock
Secretary to the
Liverpool Committee.

The Secretary,
LONDON.
