Dear Sir,

I have your letter of the 20th April about the Motorship  
"PEA COCK".

I understand that Mr. Maplestone arranged over the  
telephone that we should keep the Certificates for the shafts until  
the third of the Tugs was completed; the point being that the  
Certificates cover the shafts for the three ships. The second of  
the ships, the "FLYING COCK", was reported yesterday.

Yours faithfully,

*C. E. Peacock*  
Secretary to the  
Liverpool Committee.

The Secretary,  
LONDON.
