EEBOARD REPORT on the

Cammell hards Yard Nos 1298/9 & 1300

It is submitted the Newport Office be informed that
~~the Plan no 22 shall expansion meets approval of the Corporation~~
~~as shown & amended.~~ G

~~They should be advised that it is noted even facing~~
~~panels posts have been indicated but the dimensions of these~~
~~have been increased to 2'-10" x 8" to give the maximum~~
~~rule requirements for facing post wall on flush deck vessels~~

it is concluded
 that a Land Line Certificate ~~will not be required~~ to be
 issued by the Society particularly
 as some door crammers have
 already been accepted at heights
 less than Rule
