The Principal Surveyor

NEW YORK

Dear Sir:

S/S MOBILE

In reply to your letter of the 2nd instant regarding the tailshaft, in my opinion, this vessel should have a date of new tailshaft 8-51, as the vessel came out of dock on August 2, after fitting and connecting of shafting. April 24th was the date of the shaft was examined and fitted to the propeller.

Yours very truly,

/s/ JOHN SIM
