Dear Sirs,

m.s. "VOLKERFREUNDSCHAFT"

With reference to my letter of the 2nd March, I shall be glad to learn when the certificate covering the adjustment of the safety valves of the exhaust gas economiser may be expected in this Office, also what arrangements have been made for the safety valves of the oil fired boiler and evaporator to be adjusted.

I would refer to my letter of the 12th January and your intentions regarding the placing in order of the steering gear for the completion of the hull Special Survey will also be appreciated.

Yours faithfully,

Clerk to the  
Classification Committee.

Postschliessfach 188,
