NONE

Conditions of class:

*See letter
20/11/60*

1/2

IT IS FURTHER SUBMITTED the Surveyors' attention be drawn to the S.R.L. Appendix item - (Aluminium masts and deckhouses to be specially reported on every drydocking) and be advised it is concluded this has now been done and inadvertently omitted from their report, but confirmation is required.

The Surveyors recommend, and it is further submitted the ship is eligible to proceed assisted by tugs to Rostock where the steering gear is to be placed in order before proceeding to sea.
