Dear Sirs,

S.S. "SAJANY"

With reference to the Classification in this Society's Register Book of the above-named vessel, I wish to draw attention to the fact that according to our Rules a Main Boiler Survey became due at the end of February last and the ship is overdue for Drydocking Survey.

I have also to point out that a Screwshaft Survey will become due at the end of August 1964. Attention is drawn to the attached separate letter on this subject.

I shall be much obliged if you will kindly let me know whether it is your desire to discontinue the Classification of this vessel with Lloyd's Register; or alternatively will you please state what arrangements are proposed for these surveys to receive attention.

Yours faithfully,

Clerk to the
Classification Committee
