Ship's Name Empire Conifer

Official No. 180632

Memorandum of alterations ^{to} reported since ship was surveyed for assignment of Load Lines in

Small deck houses have now been constructed on the R. & Q. Dk. at the forward end, on port and starboard sides, adjacent to the after end of the bridge space. The port and starboard hold escape hatches at the forward end of No 2 hatch have, in consequence, been plated over.

The forward wash port doors on port and starboard sides of R. & Q. Dk have been moved further aft to clear new deck houses.

The bunker scuttle on forecastle deck has now been secured by means of strong clips and permanently attached by chain.
