# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

5th March, 1952

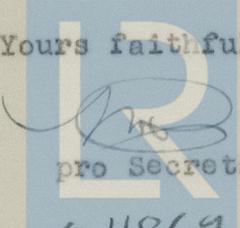

Dear Sirs,

I am in receipt of your letter of the 29th in reference to the "SHETLAND" and "SLIEDRECHT" and shall be glad to learn, since they are reported to be sister ships, if there is any reason for the differences in the registered dimensions.

I think it well to point out that the same moulded dimensions are given by you in both reports and that, with a moulded length of 516 ft. you state that the registered length of the "SHETLAND" is 507.9 ft.

Yours faithfully,

The Surveyors,  
GOTHENBURG.
