## QUESTION

## ANSWER

Date:— 18th June, 1960.

According to the records in this Office, the above tug was last examined in drydock by the Society's Surveyors in September, 1958, and I shall be glad if you will ascertain and let me know, for the information of the Committee, the Owners' intentions with regard to a further examination in drydock.

Copy of communication addressed to Owners is attached, which we trust is self-explanatory.
