Dear Sir,

We beg to state that the Society's surveyors at Southampton informed us last October that their First Entry Reports in respect of the installation of the machinery and the electrical equipment were being prepared and were to be submitted to London on completion.

As the re-classification survey of this vessel is now in hand at this port, we shall be glad if these reports might be forwarded to this office for the attention of the surveyor concerned.

Yours faithfully,  
 The Surveyors,

Per:-
