

s/s "DANUBIAN"

It is submitted that the documents in connection with the survey of this ship for classification with the British Corporation be forwarded to Blythswood Square for the consideration of the local B.C. Interim Committee.

The Classification Survey work by the British Corporation's non-exclusive surveyor was completed in December 1948. The exclusive surveyor to Lloyd's Register at Alexandria has now supplied a report confirming the former British Corporation surveyor's recommendation for class, and all is in order for submitting to the Committee

28th July, 1949.
