

s/s "DANUBIAN" ex "HARALAMPOS P" ex "GILESTON" ex "EUSTON"

Dimensions: 320.0' x 44.0' x 21.9' Reg.

The attached endorsement was prepared in connection with the submission of this ship to the Committee, but before this step can be taken it is considered that the undernoted documents* should be forwarded to Blythswood Square, Glasgow, so that Mr. Sellar can give consideration to the suitability of the machinery for Class MBS.

The hull ~~has been considered here, and the hull~~ report, scantlings etc. have been examined and are considered satisfactory.

Pending receipt of the confirmatory survey ^{detailed} report by the Society's exclusive Surveyor at Alexandria, it is submitted that the Surveyors at Alexandria be authorized to issue provisional Load Line and Classification Certificates valid for a period of six months.

17th June, 1949.
