Dear Sir,

s.s. "MONTEGIOVE" ex "AKRI HILL"

We have received a request from the Owners of the above motorship asking if the completion of the Special Survey could be postponed until October of this year.

It will be noted that the Year of Grace under the new arrangement does not expire until that time, but it should be noted that the Survey was commenced in January of last year. 1,50

The motive prompting the Owners to make this request is the fact that the ship was laid up from January 1st to the 23rd March, 1950, and also from the 13th April to the 25th September, 1950, for repairs to the machinery, and the Owners are as a result in financial difficulties.

The Registro Italiano, with which the Vessel is also classed, are prepared to grant this prorogue, and in view of the special circumstances, the Owners' request is submitted for your favourable consideration.

Yours faithfully,

The Clerk to the
Classification Committee,
LONDON.
