

26th July, 1949.

Dear Sirs,

Motorship "NORSTRAUM".

The Society's Surveyor at Bergen has recently carried out a partial Confirmatory Survey in this case, which he states will be completed before the end of December next.

He remarks that the Owners have already paid Mr. Andersen about Kr.1900, and he enquires what fee he should charge for the survey now carried out by him.

In order that the case may receive consideration in this Office, I shall be obliged if you will let me know the amounts that would have been charged for Special Survey for Classification of this ship on the U.K. Scale.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
Blythswood Square,
GLASGOW.
