The Screwshaft Survey became due on this vessel in July last.

In reply to enquiry the Buenos Aires Surveyors now forward a copy of a letter received from the Owners stating that they do not propose to continue the class of this vessel.

The Classing Committee had the case before them on Tuesday, the 24th instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
