QUESTION

With reference to the
Screwshaft Survey, which
becomes due at the end of
October next, I shall be
glad if you will ascertain
from the Owners and let me
know what arrangements
they propose making for
this inspection to be
carried out.

Planned 2/9.

ANSWER

Date:— 21st September, 1960.

We are in receipt of a letter
from the Owners informing us that they
have decided to withdraw the above
Vessel's Class with our Society for
reasons of economy.

They regret to have been compelled
to arrive at this decision, and while
they thank us very much for our valid
assistance and collaboration in the
case of this ship, particularly during
her construction, they hope to be able
in the future again to class her with
our Society if the freight market will
improve.
