Dear Sir,

CLASSING LETTER.

78 "EVER HAPPINESS". As recommended.
Reverting to my cablegram of the 21st June, I
shall be glad to learn whether the steampipes
were generally examined.

In future similar cases you should make
reference to the pumping arrangements and
megger readings of the auxiliary electrical
installation, it being concluded that these
items have been dealt with for the General
Examination in accordance with the requirements
of Circular No.1959.

Yours faithfully,

pro Clerk to the
Classification Committee.

A.S.V. de Melo, Esq.,
MORMUGAO.
