Damage fee

for general examination..Rs.1634/-

for extension of the

Load Line Certificate....Rs. 348/-

Expenses Rs.100/- inclusive of boat fare.

S.A. fee

I have surveyed the above-named ship in accordance with the Rules for General Examination for post-pomement of ~~survey~~ special survey and freeboard surveys.

At the time of inspection loading of the vessel had already commenced and as such tank tops could not be examined. The after peak and the structural members for'd and aft of the machinery could not be ^{as the} after peak was full of water and the double bottoms contained water and oil respectively as stated by the Master.

Repairs now done: Several air pipes ~~were~~ cropped off above the deck and renewed, or doublers fitted. One doubler fitted on the coaming of the port stokehold ventilator and another ~~patched~~ on the adjacent one.

The items now surveyed are detailed on this report. All were found or placed in good condition unless otherwise stated. I recommend, therefore, that this ship remain as classed ~~with~~ without fresh record of dry docking and subject any outstanding conditions of class now attached to the class of the vessel being dealt with as previously recommended.

(Where conditions of class are recommended to be retained, imposed, amended or deleted, particulars must be stated above and on the interim certificate.)

Date of Committee
