Dear Sir,

**S.S. "EVER FORTUNE"  
to be renamed "EVER HAPPINESS"**

Information has been received in this Office to the effect that this vessel has now been bought by Chinese Owners, and I shall be glad to learn whether it is the new Owners' intentions to maintain classification with this Society.

The survey position is as noted in the Supplement to the Register Book except that the Boiler Survey has recently been carried out and the vessel now holds the record BS 6.64.

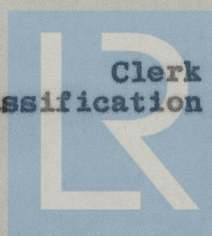

The Committee have agreed to the postponement of the Steampipe Survey until December and the completion of the Special Survey until June next.

Yours faithfully,

*cyka*

Classification Committee
