Dear Sirs,

S.S. "LEONIDAS CAMBANIS"

In reply to your letter of the 27th May, I am pleased to inform you that the Committee are agreeable to a General Examination being held in drydock at Hong Kong this month as proposed, with a view to the postponement of the Special Survey until some time before the end of June, 1965.

I would remind you that the class is at present continued subject to the propeller and outside fastenings being specially examined at the next drydocking.

The necessary instructions have been sent to the Society's Surveyors at Hong Kong as requested.

It is concluded that the Main Boiler Survey, due at the end of August next, will be dealt with at the Steampipe Survey which has already been postponed until December, 1964.

Yours faithfully,

cc Hkg.
