Dear Sirs,

Anchors and Cables of s.s. "ASAKAZE MARU" ("DINGLE BAY").

We thank you for your letter of the 7th instant. We have made a very careful search in the office for any Certificates covering Anchor and Cables, but without result. Actually, these were all on board the "DINGLE BAY" at the time she was delivered.

We have come across Lloyd's Register of Shipping Certificate for the Manganese Bronze Propeller, which was made in December, 1950. We have pleasure in enclosing this herewith.

Yours faithfully,
for HENRY P. LENAGHAN & SONS LTD.

Secretary.
